Notes

Ceci est un exemple de devis avec votre design personnalisé.

The background must be predominantly pure black. Introduce a soft, subtle orange gradient using the exact brand color #FF6A00. The orange light should: - Be low saturation - Softly diffused and blurred - Appear as a gentle glow or gradient, not a solid shape Animation behavior: - The orange glow slowly drifts horizontally toward the left - After reaching its furthest point, it gently returns to its original position - Movement must be smooth, continuous, and organic - No sudden stops, no mechanical motion - The animation must feel like a slow breathing or flowing motion
